Between Ourselves

The Cover

The picture on the cover is that of a part of the Black Covering which the Government of Egypt sends every year to Mecca to cover the walls of the building of the Ka’ba, the old Covering being removed just before the annual Pilgrimage to Mecca.

The decorative design on the Covering, made and embroidered entirely in Egypt, consists of some verses from the Holy Qur’an and floral patterns.

Every year an official ceremonial send-off is given to this offering by the Government of Egypt, when it charges the Leader of the Pilgrimage — Amir al-Hajj — to deliver it safely to the authorities in Sa’udi Arabia. The send-off is a festive occasion in Cairo. All Government offices and schools are closed in its honour.
